Brand New Book ***** Print on Demand *****.Excerpt from **Letters to Benjamin Franklin From His Family and Friends, 1751-1790** The following letters have been selected from a number formerly in the possession of William Temple Franklin, and now belonging to Dr. Franklin Bache. These and the papers which have been for several years in the possession of the American Philosophical Society were formerly parts of the same collection. It does not seem necessary to add any thing more than a few words respecting the writers: Abiah, the daughter of Peter Folger, and the second wife of Josiah Franklin, was born in the Island of Nantucket, August 15, 1667, and died in Boston in the early part of 1752. Mary Stevenson was the daughter of Mrs. Margaret Stevenson, whose house in Craven-street, London, was Dr. Franklin s home during his long residence in England. Miss Stevenson married Dr. William Hewson, and after his death came to America with her family. Mrs. Deborah Franklin s birthday cannot now be ascertained. She married Dr. Franklin September 1, 1730, and died December 19, 1774. We are indebted to the publishers of Franklin s Works for the portrait of Mrs. Franklin. Her only daughter, Sarah, was born September 11, 1744, married Richard Bache October 29, 1767, and died October 8, 1808. Mrs. Ellet s *Women of the Revolution* contains a sketch of her life partly by the author of these lines. The likeness in the present work is from the portrait of her painted by Hopner, during her visit to England in 1792. Mr. Sully has made two admirable copies of this portrait.
