I CHING, A BOOK ABOUT CHANGE

DOWNLOAD

Createspace, United States, 2012. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.The author's near 40-year study and fascination of the I CHING gave rise to this interpretation. Receiving and sharing this wisdom over half her lifetime, Stephenson provides a unique facet to this ancient Oracle. Simplicity often proves our most direct, discerning guide. This volume which distills the Oracle's counsel, is inspired by countless requests and feedback for personal readings for friends. Illustrated with her own images, she expands and embellishes the reader's experience through visual metaphor. How does this work? How can it work? After almost 40 years of inquiry, Stephenson does not know. Does it work? Sample it, and answer for yourself. The late C.G. Jung counseled that the less one thinks about the theory of the I CHING, the more soundly one sleeps. Jung termed the word synchronicity to describe the coincidence of events in space and time as meaning something more than mere chance. Random chance in composing each hexagram, logically lends doubt to validity. One tosses three coins, six times, recording the six lines that build the hexagram which corresponds with the ancient text's observations of the human condition. In learning the 64 conditions and experiencing their returns, however, one's doubt turns to awe in the face of mystery. The photographic metaphors and insightful quotes hope to provide additional reference points that might embrace greater depth, or at times, even life's humor. Stephenson has observed those whose focus is restricted to fundamental or literalist interpretations of scriptural material. Some tend to dismiss this ancient Oracle as evil in origin for the exotic mystery of its methods. To them, she directs the teachings of Jesus whose counsel inquires what...
