By Cecil Headlam

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from France In the present volume an attempt has been made to trace as fully as possible, within the necessary limits, the course of events which have moulded the French nation, their forms of government, their literature, and art. Although it is not possible in a book of this kind to quote documents and authorities, the author has spared no pains to ensure accuracy of statement, and to take into account the results of recent historical research. It is hoped, therefore, that this short history, like other volumes in this series, may prove of use to students in the upper forms of Public Schools, and at the Universities, as well as to the general reader who wishes to obtain a clear view of the facts and tendencies in the eventful story of the French People.
