Taylor Francis Inc, United States, 1998. Hardback. Book Condition: New. 228 x 151 mm. Language: English . Brand New Book ***** Print on Demand *****.In *Alcohol Use/Abuse Among Latinos: Issues and Examples of Culturally Competent Services*, you will learn how to design and improve services for Latinos with substance abuse problems by understanding that the cultures and personal backgrounds of your clients are crucial to the counseling process. This text will also show you how these service skills apply to the individual, family, or an entire community. Studies show that, according to patients, culturally sensitive and responsive practitioners are generally more credible, trusted, and effective. *Alcohol Use/Abuse Among Latinos* takes into account several different aspects that will help you develop these traits and provide successful services for Latinos dealing with alcohol or other drug problems. You ll gain valuable insight into: * the five elements that are vital to a successful ATOD (Alcohol, tobacco and Other Drug) service--multiculturalism, resilience/strengths, competence, community capacity development, and community participation--plus a detailed explanation of why they are needed * step-by-step instructions for using three methods, supervision, inservice training, and consultation, as means of providing ongoing learning of cross-cultural competencies to practitioners * why key factors such as economic background, gender, and sexual orientation need to be taken into consideration for ATOD services to be effective * demographic patterns and case studies of Latino users and abusers of alcohol and other drugs that illustrate the growing number of Latinos in need of ATOD services * why the practitioner needs to be aware of how family importance, values attached to cooperation versus competition, sociability, respect, and action-oriented problem-solving play a role in effective services for Latinos * the need for practitioners to understand how ethnic identity, biculturality, Spanish language fluency, gender-specific role expectations, skin color, and...
