Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.EVERY JOURNEY NEEDS A MAP The images on the cards of the Tarot deck conceal meanings very different from those in common usage. Actually, the original Tarot cards-which came from Sufis in Moorish Spain in the fourteenth century-had nothing to do with divination or fortune telling. Instead they formed a map of the ancient, traditional path to Self-Realization and reunion with Universal Spiritual Presence-which is so sorely needed in today s world. Hidden from public view for centuries, Fred Cameron has decoded what may have been their original sequence and meanings over 600 years ago, and here presents them as an inner Journey anyone may take. A FRESH VIEW OF THE TAROT AND THE ZODIAC In this radical re-interpretation of the Tarot cards, twelve of the archetypal card images pair up with the twelve symbols of the Zodiac and form the central part of the map. Amazingly, this map corresponds exactly to the real alignment of the Sun, the Earth and the center of our Milky Way galaxy. Along with the rest of the card images, the willing, metaphysical Fool discovers a path toward spiritual enlightenment and transformation. THE GODDESS REAPPEARS IN THE WORLD What is perhaps most surprising, though, is the overt role the universal feminine energy plays in this Journey-Mary, Shakti, Sophia, the Triple White Goddess, even the Norse Goddess Hel-call Her what you will. Her aspects of Virgin, Crone and loving Mother play integral roles at every stage of the Journey. You are invited to begin it right now. Volume One - The Fool Wakes Up Volume Two - A Map of Death and Rebirth Volume Three - The Workbook.
