HEART AT REST

Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.How can we remain peaceful and strong when our life is battered by adversity, despair and uncertainty? Carlos Murphy knows the answer. He was a successful pastor with grown children when a massive stroke left him a quadriplegic, able to move only his head and speak with a whisper. After a year of deep depression and bitterness, he found his song once again. With the help of friends, he began writing a religious column for a local newspaper-and ministering to thousands through the written word. In this book, the insights of a man who has faced the difficult storms of life find new voice in 101 daily readings. Though we do not know where, when, or why our storm may come, we know God is faithful and good. In Him, our heart can be at rest.
