This is a true life account of my first sixteen years. When I was a child, I walked and talked with God as if He was my best friend. When I hit the age of consent, as many of us do, I drifted from the narrow path. Without knowing about the various forms of armor one needs to put on to win the spiritual battle we all face daily, I made bad choice after bad choice. I was called out by God in December of 2012 to share my story. I admit I was fearful of judgment but I stepped out in faith anyway. This is volume one and volume two is right behind. If you are a fan of true life stories this may just be right up your alley! This item ships from La Vergne, TN. Paperback.
