It happened the night before the night before Christmas several years ago. Strange thing is that everything seemed to be right on schedule that night, the elves were finishing up the toys, the reindeer were practicing their take offs and landings, and Mrs. Claus was baking cookies. I will admit that Santa seemed a bit grumpy, but then I think he was getting a little weary of checking his list of good little boys and girls. Like I said everything seemed to be normal at the North Pole that night before the night before Christmas that is until Santa tried on his magical red suit. That s when everything changed. that s when everyone was afraid that there would be no Christmas that year. and that s when Patrick came up with a plan to save Christmas. You are probably wondering how I found out about this secret - I think it involved a bit of Santa s magic; you see I was told about this amazing Christmas adventure by Patrick the Polar Bear himself. I know that sounds rather unbelievable, but believe me it happened. Patrick told me that he had discussed it with Santa, and that they both thought that the children would enjoy hearing about how he and Chris Mouse saved Christmas. They felt that it has been kept a secret for too long, and now you will know the secret too. Exciting isn t it.
