Reviews

*This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE IMPOSSIBLE IS POSSIBLE

Orient Paperbacks, New Delhi, India. Softcover. Book Condition: New. Doing What Others Say Can't Be Done! Deep inside you lives an impossible thought. A dream longing to come true. There's a mission residing in you. Yet something holds you back. perhaps it is indecision or the fear of unknown, risk, faith, friends, the past mistakes, indecision, or something you can't really pin down. Almost everything we enjoy today was impossible yesterday. So, what transforms an impossible into a possibility, a possibility into a probability, and probability into a fact? For many years 'safety first' has been the motto of human race. but it has never been the motive of the doers, leaders and dreamers. Doers, whether leaders or dreamers must take risk and stick their neck out. Being destined for greatness requires you to take risks, confront the unexpected and play your shots. For you will always miss 100 per cent of the shots you don't take. When your chances are slim and none. go for the slim. Printed Pages: 200.
