

China: Revolution and Counterrevolution

By Brian Becker, Gloria La Riva

PSL Publications, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.China: Revolution and Counterrevolution features analysis of the Chinese Revolution, the present Chinese economy, the trend towards capitalist restoration and how socialists inside the United States can lend their support to the people of China. China: revolution and counterrevolution is a unique contribution to the left, using a Marxist analysis to identify political and social trends in China 30 years after the introduction of capitalist market reforms. The 1949 Chinese Revolution placed China squarely on the path toward socialist development. While elements of that revolution remain, the country and the ruling social order have dynamically moved toward the restoration of capitalist property relations. It is our assertion that if the overthrow of the Communist Party of China were carried out by forces of domestic counterrevolution-forces that would be vigorously supported by U.S. imperialism-it would represent a historic setback for China. -China: revolution and counterrevolution China: revolution and counterrevolution is a timely short history of modern China that captures all the essential achievements and challenges facing Chinese socialism today. This book captures the drama and excitement of China...
