By Greg Ruth

BRAND NEW, Sudden Gravity, Greg Ruth, Built on a site of great and forgotten power, the mammoth Bentham International Hospital was to be the very definition of modern medical science at its best. When a prominent Commissioner of the City's Housing and Urban Development Department is brought to the Panopticon for evaluation after murdering her family, the haunted secrets of the hospital begin to unravel, leaving no one untouched. Julius, the prosthetic boy in room 13 is waking up. The black eggs are found. The lines between the patients and the doctors are blurring. This is where the end begins.
