Hay House India, 2010. Softcover. Book Condition: New. In English for the first time, here is a tale set on the path of the heart, both a mystical adventure and eloquent portrayal of the Sufi way. A seemingly chance discovery in the desert compels a modern-day Sufi master to send seven companions on a quest for the greatest treasure of the ancient world?King Solomon?s ring. It is the very same seal ring of a hundred legends, given to King Solomon by God to command those terrifying spirits of smokeless fire called the Jinn. But the quest has a strange effect on those chosen to go: visions enter their dreams, remembrances and tears fill their hearts and mysteries abound; unearthly storms and unending night, a lost city and demons of living fire. At last, the journey reveals not only the fate of the Jinn, but also the path of love and the infinite mercy of God. Printed Pages: 240.
