CONTROVERSIES OF THE MUSIC INDUSTRY (HARDBACK)

To read **Controversies of the Music Industry (Hardback)** PDF, you should refer to the web link listed below and save the document or gain access to other information that are in conjunction with CONTROVERSIES OF THE MUSIC INDUSTRY (HARDBACK) ebook.

ABC-CLIO, United States, 2001. Hardback. Book Condition: New. New.. 236 x 160 mm. Language: English . Brand New Book. This work presents 12 of the most volatile ethical issues facing the music industry. Real-life examples depict both sides of each controversy, and the list of resources provides tools for readers who wish to pursue the controversies further. Primary sources including court cases and excerpts from speeches help students build critical thinking skills in current issues, persuasive writing, and debate classes. Among the controversies noted is the growing oligopoly of a few multinational music companies and the independent labels that are attempting to survive this market dominance. Drug abuse and violence depicted in music is discussed, as is its influence on young listeners. These issues and many more are discussed in detail as the authors outline the controversial topics of the music industry.
