WHAT GOD WANTS YOU TO KNOW: ANSWERS TO SOME OF THE MOST DIFFICULT QUESTIONS YOU VE HAD ABOUT THE BIBLE

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bible is God s message to mankind and it explains a lot. You just need to know where to look for the answers you seek. I ve had the same questions you ve had and maybe more. I found the answers in the Bible and have written them in this book. Do you want to know why God created Hell? How to assure your place in Heaven? Why the world is in such a mess? Who really rules the earth? Why we get sick? Why God hasn t answered your prayers? Why, if there is only one God, does the Bible talk about a trinity? Is Jesus really God? These questions and many more have answers, and I think if you read this book you will find a whole new insight into what the Bible really reveals. Don t let your unanswered questions lead you down the wrong path! God wants you to know the truth, that s why he inspired people throughout the ages to write the Bible. Don t let its size or other people s uninformed opinions keep you from knowing what God wants you to know. This book will give you a fresh look at what is really in the Bible and inspire you to build your personal faith based on the truth that is revealed in Scripture. If you are already a faithful Christian but are frustrated by not being able to answer the questions from unbelievers, this is the book for you. If you are an unbeliever but are curious about what Christianity is about, this is the book for you. Don t let preconceived beliefs keep you from learning true Biblical knowledge....
