One reviewer said that reading his anecdotes is like having a good cup of coffee with an old friend. The stories reflect the best America has to offer--hunting rabbits in the Missouri countryside, love and laughter during the Depression, an exploding keg of home brew in a college apartment, a cherished Christmas party for war orphans in France, and fighting literary censorship. Eddie s remembrances of life as a musician in New York in the 30 s and as a morale officer for an army hospital in France will make you smile. The story of his dad s generosity will warm you heart. These delightful tales may remind you of some of your own or make you yearn for a simpler time.
