Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A journey of experimentation and sexual awakening set in Spain.Saffron, a young twenty something, leaves behind the grey skies of the UK to embark on a road trip. Her mission: to blot out the pain of a devastating love affair. She encounters a country still in the grip of those first heady years of freedom, a fledgling democracy in place and where the peseta still reigned supreme.What ensues is a journey of hedonism and excitement as Saffron embarks on a series of affairs and dangerous relationships.From travelling Rock bands to polygamists and conmen on the run, nothing is ever what it seems.Despite her intentions to Find herself she is drawn instead to some less salubrious characters as well as certain mind altering substances that do little to clarify her thought patterns.An attempt to open the doors of perception gives us a bizarre glimpse into the world of hallucinogens in a place aptly named Sodom and Gomorrah. No matter the twists and turns the story takes: travel, adventure, drugs, sex and passion; at its core is the absence of the one person who pushes the story to the end.Love, loss, friendship and tears; from moments of darkness to laughter and comical encounters; Saffron eventually realises there is one person you cannot escape from; yourself.
