Note: Assumes currently scheduled Social Security benefits are paid in full throughout the simulation period. Social Security and Medicare projections are based on the Trustees 2003 intermediate assumptions. Indeed, long-term budgetary flexibility is about more than Social Security and Medicare. While these programs dominate the long-term outlook, they are not the only federal programs or activities that bind the future. The federal government undertakes a wide range of programs, responsibilities, and activities that obligate it to future spending or create an expectation for spending. A recent GAO report describes the range and measurement of such fiscal exposures - from explicit liabilities such as environmental cleanup requirements to the more implicit obligations presented by life-8 cycle costs of capital acquisition or disaster assistance. Making government fit the challenges of the future will require not only dealing 8 U. S.
