

The Sun King Dialogue: A Bold New Explanation of Why the Universe Exists or Why Atheism Is Irrational

By Daniel Alexander Brown

Sun King Show, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.WHY THE HELL DOES THE UNIVERSE EXIST? Neither science nor religion have so far offered a straight-forward, logical answer to this question. What's more, science and religion seem incapable of providing a unified explanation of the myriad phenomena taking place within the universe. Consider for a moment what math-based theories of everything, like string theory, are able to explain. While math is an effective tool for discerning the structure of the cosmos, it's a spectacular failure when it comes to explaining important subjects like emotions, history, humor, art, and ethics. Given the limits of its explanatory power, how can math be regarded as a suitable basis for a theory of everything? The key to understanding the universe is language. Ancient religions struggled to articulate ideas about the cosmos in human languages that are limited in precision and consistency. Theoretical physics, on the other hand, relies on the language of mathematics to construct scientific theories; but math is very limited as well. The path to bridging these disciplines, and the way to unify all subjects...
